## NEWSLETTER JANUARY 2025

### MUSIC ALL AROUND

During our first week in January, you could hear music from everywhere. We welcomed also a special guest, a noble knight Gaston, to explore music throughout history. We learned about the evolution of music, discovering how different instruments and styles have shaped cultures over time, making the experience both educational and inspiring.

## SLOVAK WEEK

During the Slovak Week, our kindergarten was filled with giggles and excitement as the children could speak Slovak and enjoy the hilarious puppet show Trojruža. Over more, we explored Slovak culture and traditions of Fašiangy which brought smiles to both kids and teachers alike.

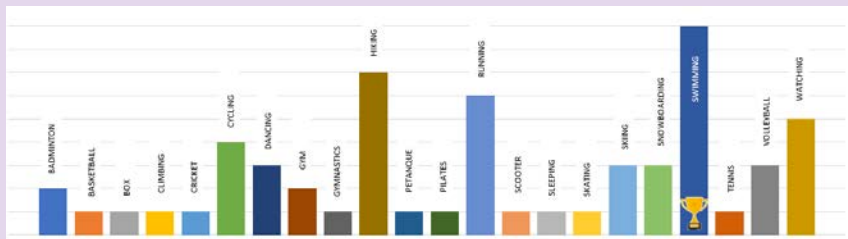

## WINTER FUN

What would be January without snow? And we got lucky 😊! For our week of winter fun, the weather prepared an exciting surprise for us. We all could build snowmen, create snow angels and enjoy frosty fun at the sledding trip in Koliba .

**WE SPY: What is your favourite sport?**

**HEALTHY BODY, HEALTHY MIND**

How many times per day should we brush our teeth? How many teeth do we have? And what are the milk teeth? So many questions! Luckily, we were able to find the answers during our trip to the dentist. All brave participants left the dentist with a diploma, small gift, and a big shiny dragon's smile 😊

**Oliverko K. (Otters KOL):** Aby nám opravili zúbky.

**Benji H (Bunnies HP):** I do not like dentists. Im scared of them.

**Bertik (Bunnies HP):** They need to check our teeth and give us something for it.

a tooth fairy gave me 1 euro.
