BUSY DECEMBER

Believe or not, December in our kindergarten was truly busy and challenging... but also exciting, joyful and magic. We kept ourselves busy with preparations for Christmas: making presents and decorations, reading stories, practicing for Christmas show, enjoying advent traditions... and so we are happy we could wish you Merry Christmas, taking a well deserved rest with family to refill the energy into a New Year.

WE SPY: What is your go-to Christmas activity when you need a break from holiday chaos?

Olga (SM): Since I never have enough of sleep, my favourite Christmas activity is to finally sleep as long as I want in the mornings 😊

Leona (HP): Watching movies and playing games with family.

Miška K. (KOL): I like to create new Christmas decorations and other craft items.

Veronika F (MD): I love snow.. Just stand outside and let it fall on my head 😊

Alejandra (HP): Staying in pyjamas drinking coffee and watching movies with my sister.

Edinka (SM): I curl up under the Christmas tree, pull out my favourite pen and journal, and turn the day's chaos into poems.

Sabi (HP): Reading books and going to church.

Radka (MD): Staring into a wall while listening to George Michael.

I ALWAYS TRY MY BEST

On December 6th, we welcomed St. Nicholas and his helpers with cheerful songs, heartfelt poems and lovely cards! We all could remind ourselves about making good choices through all the year 😊

CHRISTMAS PERFORMANCE

The highlight of December, as usually, was our Christmas show. This year, our little stars took the stage to dress up the Christmas tree in a magical journey through Colourlands. After weeks of practicing, with big smiles and even bigger hearts, we turned our hard work into a beautiful performance filled with festive cheer. We believe you enjoyed it 😊
